GIVES UP PLAN TO SEE WORLD RECEIVERS FOR ICE CREAM PLANT

Young Marriott Runs Short of Funds in Rocky Mount and Wants to Come Home.

When he found his funds exhausted yesterday, after he had arrived in Rocky Mount, N. C., William McKim Marriott, Jr., seventeen years old, who lives with his parents in Barton Heights, decided that his scheme to "see the world" had lost its rosy hue. Being a member of the Young Men's Christian Association, he sought the secretary of the Rocky Mount Railroad Y. M. C. A., and applied for money to defray his transportation back to Richmond.

Impressed with the story told by the runaway, officials of the Y. M. C. A. communicated by long distance telephone with Captain of Detectives McMahon and told him that Marriott was there and more than willing to come home. Captain McMahon at once notified the boys' father. The latter said he would leave on the first train to return with his son.

The news that the boy was well and anxious to return was a relief to his relatives, who have been deeply distressed since he disappeared Monday night. On Tuesday the police were asked to look for him. Yesterday he was traced to Raleigh, and word that he later turned up in Rocky Mount was not a surprise to the police. Marriott will be detained until he is claimed by his father.

Miss Woodall Run Down.
Miss Inez Woodall, of 403 North Main Street, was run down by a horse and buggy driven by William Brown, colored, of 1206 Claiborne Street, yesterday afternoon at 5 o'clock at Madison and Broad Streets. She was slightly hurt, and told Haynie, Policeman, that it was an unavoidable accident.

WHITE RIBBONERS SHOW LARGE GAIN

Large Attendance Is Expected at W. C. T. U. Convention at Luray This Month.

The State convention of the Women's Christian Temperance Union will meet at Luray on September 23, and continue to October 3. Elaborate preparations are being made by the Page County contingent to entertain the host of white ribboners who will assemble on that occasion. The Richmond delegates will leave here on Monday morning, September 23.

It is stated that the reports of the officers who have been in the field show a large gain in the number of white ribboners in Virginia, the numerical increase being 15 per cent gain.

The State president, Mrs. H. M. Hoge, of Loudoun, will be received by the Richmond white ribboners when she passes through the city next week on her way to Luray.

The world convention of the W. C. T. U., composed of representatives from America and fifty foreign countries, will meet in Brooklyn, October 22 to November 2, and many Richmonders are expected to attend. Women of international fame will be present to participate in the proceedings of the body. A "white ribboner special" will pass through Richmond on October 2, and it is proposed that a "greeting party" meet the train at the station to welcome the members from the South.

The national convention, composed of delegates from the several States of the country and the foreign countries, will meet in Ashbury Park following the adjournment of the world's convention.

UNITED STATES DEPOSITORY
FOR POSTAL SAVINGS FUNDS

Instructed by Court to Continue Business Without Interruption.

Receivers were appointed yesterday by Judge Edmund Waddill, Jr., in the United States District Court, for the L. K. Shepherd Ice Cream Company, Inc., on petition of Harvey Blair & Co. and other creditors, who produced evidence of claims aggregating more than \$10,000. Hugh P. Powell and C. P. Bigler were named as receivers by the court and instructed to take over the business of the company at once. Each qualified yesterday afternoon, giving bond for \$2,500. The liabilities of the corporation are placed at \$14,000 by the president, with assets, represented by machinery, stock, outstanding accounts and plant, estimated also at \$14,000.

Accompanying the petition for involuntary bankruptcy was filed a statement from W. Wynne, president of the L. K. Shepherd Ice Cream Company, admitting the insolvency of the concern and its inability to meet the claims against it. The receivers will begin at once to compile the indebtedness of the company. The creditors filing the petition for receivers were: Harvey Blair & Co., exhibiting claims of \$721.46 against the corporation; E. B. Taylor Co., Inc., \$12.35; Vaughan-Robertson Drug Company, \$115.22; and J. S. Ross & Co., \$122.35. Creditors petitioning for proceedings in involuntary bankruptcy are required to produce evidence of claims amounting to only \$1,000.

By agreement with the creditors the receivers were ordered by Judge Waddill to continue the regular operation of the business of the L. K. Shepherd Ice Cream Company until its indebtedness shall have been liquidated or other course of action demanded by firms and persons holding claims against it. The business of the plant will continue without interruption.

Detective G. E. Smith returned last night from Petersburg, where he had taken a man named Peter Johnson, who is wanted here on a serious charge preferred by Isaac Anselkows.

Anselkows has been in Petersburg for some time, according to the police, but he was arrested yesterday afternoon by Patrolmen Hart and Dunn on the charge of breaking into a chicken house. The man was locked up at the First Police Station, and will be arraigned in Police Court this morning.

MEETS HIS DEATH BENEATH WHEELS

H. E. Bruce, Motion Picture Operator, Accidentally Killed by Southern Railway Train.

The body of H. E. Bruce, twenty-eight years old, a motion picture operator, who was accidentally killed by a train on the Southern Railway, near Nibbs Creek Station, Amelia County, was brought to Richmond last night and prepared for burial. Funeral arrangements will be announced later.

Bruce, who was the son of Mrs. N. Elizabeth Bruce, of 304 North Fifth Street, is believed to have fallen from a train, run over and instantly killed. His body was found lying alongside the tracks yesterday morning. The young man left the city Tuesday night after telling his mother goodbye.

The verdict at the inquest, which was conducted by Coroner Wingo, of Amelia, was that Bruce came to his death by being accidentally run over by a train.

It is believed to have boarded the Southern Railway train which left here at 11:45 o'clock Tuesday night.

Bruce, who was a good pianist, was well-known about moving picture theatres here.

TWO POLICEMEN FRED BY BOARD

M. T. Eacho and E. S. Hart Convicted of Drunkenness and Summarily Dismissed.

WON'T TOLERATE DRINKING

Commissioner Weil Says Officers Convicted of This Offense May Look for Discharge.

Two policemen were dismissed from the force last night, when convicted before the Board of Police Commissioners on the charge of drunkenness. They were Patrolmen M. T. Eacho and E. S. Hart, both of the First District. "Members of this department should learn that the board will under no circumstances tolerate the use of liquor by them while on duty, and those found guilty of being under the influence of it may expect to be dismissed," said Commissioner Weil following the board's action. Chief of Police Werner was heartily in accord with the warning expressed by Mr. Weil, which was also the prevailing sentiment of all commissioners.

Eacho was brought before the board on the charge of conduct unbecoming an officer, being under the influence of liquor and insubordination, all preferred by Sergeant Zimmer through Captain Barfoot. On Tuesday night Eacho suddenly determined to quit the force, and tendered his resignation to Captain Barfoot. Last night he was brought before the board, was convicted and dropped from the department's roll.

Found Eacho in Saloon.
Sergeant Zimmer, it was said, found Eacho in a saloon, and accused him of having had a drink. Werner followed, and the private is alleged to have passed the lie to his superior officer. His trial was brief. Eacho, one of the younger members of the department, has before been on charges.

Hart was convicted of being under the influence of liquor and sitting down in the Main Street Station while on duty. He was found by Captain Barfoot, who preferred the charges against him. After hearing the evidence against him and a brief consideration of his case, the board dismissed him.

Bicycle Policeman Matt was arraigned on the charge of conduct unbecoming an officer. He was found guilty. Having been under suspension for twenty-two days the board thought that the loss of pay for that period would be sufficient punishment, and he was reinstated.

Policeman P. G. Minor was found guilty of conduct unbecoming an officer and recommended for discharge.

Named to Fill Vacancies.
M. R. Vinson, a motorman, of 403 West Clay Street, and E. J. Cline, a machinist, of 1112 Venable Street, were elected to fill the vacancies caused by the dismissal of Hart and Eacho.

The board passed a resolution endorsing the ordinance recommended to the City Council, requiring a license of \$50 weekly for the practice of palmistry and fortune-telling in the city.

Major Werner was authorized to purchase necessary fuel for the fire department, and to place additional safety zones at congested traffic points. One of these safeguards has already been placed at Seventh and Broad Streets. Major Werner said his intention was to place a second one at that point and others at First and Broad, Fifth and Broad and Eighth and Broad.

Enforce Move-on Ordinance.
Major Werner was instructed to see that the move-on ordinance and various laws are more rigidly enforced.

A contract for furnishing the department with fuel for the ensuing year was awarded to Nelson & Ladd, the lowest bidders.

The board transacted a large amount of routine work. It was in session for nearly two hours, lasting from 1 o'clock until midnight.

Arrested for Theft.
William Edwards, colored, was arrested yesterday on a warrant charging him with stealing \$20 from Joseph Handley.

Stray Juvenile, colored, was arrested by Detective Sergeants Krenz and Atkinson on the charge of stealing \$30 from W. T. McKinnon.

Harrison Robinson, colored, was arrested by Patrolman Talley on the charge of stealing \$15 from J. P. Hall.

T. E. Smith was arrested by Patrolman Kuhn and held at the First Police Station on a charge of stealing \$10 from N. L. Newman.

Equal Suffrage League of Virginia Puts Out Sign for Opening To-Night.

PLANS BIG WORK FOR YEAR

Many Speakers to Discuss Campaign to Be Conducted by Organization.

Floating a big yellow banner bearing in black letters "Votes for Women," and gay with smaller pennants and streamers of the suffrage colors, the headquarters of the Equal Suffrage League of Virginia is all in readiness for its opening to-night at 8:15 o'clock. The league has but recently given up its old quarters at 800 East Broad Street, and is now established in commodious offices in the Commercial Building, on Second Street between Broad and Grace. The official opening to-night will be in the nature of a reception, and many distinguished guests from all over the State will be in attendance, notable among whom is to be Ellen Glasgow, whose recent novel, "Virginia," dealing with the woman question, has been widely discussed.

Mrs. B. B. Valentine is chairman of the evening, and the exercises will be opened with prayer by the Rev. Ernest E. Osgood. The chief speaker this evening is to be Miss Mary E. Frayer. Miss Frayer has recently taken a degree at Columbia University, and is a member of the faculty at Winthrop College in North Carolina, and her chief work is in the department of extension work in home economics. She is a native of Virginia, and she is the head of the official invitation to the State is an added honor to a number of others already conferred upon her. G. Boshier is chairman of the program committee for the next two months, and some very interesting and charming lectures will be held.

The election of delegates to the third State convention, to be held in Lynchburg October 23 and 24, will take place at Thursday afternoon. Dr. Anna Shaw, president of the National Woman's Suffrage Association, will make a public address on suffrage at the convention in Lynchburg.

The league in Richmond is planning great things for this year, and everything at the new offices is in ship-shape.

The new secretary, Mrs. Alice Overby Taylor, is in her desk daily, from 10:30 to 1:30 and from 2:30 to 5:30, and business for the year will go forward rapidly, now that the task of moving has been completed. Among the events that the league plans for its work this winter is the usual round of civic betterment and improvement matters, as well as the booth at the State Fair. There is a large and impressive looking bulletin board out in front of headquarters, upon which from time to time will be published information for all concerning the work and meetings of the organization.

For the formal opening to-night the place will be in gala dress, and fall flowers, potted plants and bright bannery decorations will be used to receive and greet all guests attending the formal opening of their new home.

EXPECTS WILSON TO DECIDE SOON

Senator Swanson Wires President Is Considering State Fair Invitation.

Not Ready to Answer

Washington, D. C., Sept. 17, 1913. Legh R. Page, Richmond, Va.

The President says he is not yet ready to give a definite answer in regard to coming to the Richmond Fair. I will let you know definitely in a few days.

The foregoing telegram received yesterday by the attorney for the Fair Association, admits a ray of light to the general gloom that has prevailed in the camp of those who have been counting on the President's coming, as a result of a letter from Secretary Tumulty to the Methodist ministers last week stating that President Wilson said it impossible to come.

In spite of apparent refusals to unofficial invitations given by persons connected with the anti-saloon movement, the President has never yet acted definitely on the official invitation presented to him by the City Council and the Fair Association," said Mr. Page yesterday. "I am convinced that the President is giving the matter serious consideration, and the tone of the telegram from Senator Swanson today confirms my hope that the President will find it possible to attend."

At the instance of Mr. Page, Senator Swanson called at the White House early in the week, without seeing the President, who was away. Senator Swanson will again call upon him to receive his decision.

RULES AGAINST MORGAN

Suit Against Chief of Police to Recover Photograph Falls Through.

In the suit of G. M. Morgan, ex-Chief of Police, to recover a photograph from the City of Richmond, which was taken by the City of Richmond, the City of Richmond has been ordered to pay the costs of the suit.

Morgan was arrested on the charge of stealing the instrument from Mrs. W. W. Cook, and the photograph was taken by the City of Richmond, which was ordered to pay the costs of the suit.

SUSPECT LEAVES FOR SCOTTSVILLE

L. L. Jackson to Be Heard To-day on Charge of Murdering Telegraph Operator.

Louis L. Jackson, the man who has been detained in the Henrico County Jail on suspicion of being the murderer of Richard W. Harrison, the Chesapeake and Ohio Railway telegraph operator at Scottsville, was taken back to Scottsville on the 5:15 train yesterday afternoon by Special Officer M. L. Angle.

Jackson seemed rather relieved at getting out of jail for a breathing space, and appeared confident of his acquittal at the hearing to be given him in Scottsville this morning. He was brought here shortly after his arrest for safekeeping.

Harrison was shot to death during the latter part of August, between 2 and 3 o'clock in the morning. His dead body was found by a train crew. Though robbery is supposed to have been the motive, nothing has been found to be missing, and it is believed that the assassin was frightened away by the approach of a freight train.

Harrison's body was brought to Richmond for a private autopsy, and it was found that he had been shot twice, which precluded any idea of accident or suicide.

Jackson, something of a wanderer from his accounts, had tarried in and near Scottsville for several months, and suspicion pointed to him as the slayer. He says that he was at Warren, some distance from Scottsville, at the time of the murder, and expects to be able to prove an alibi. No direct evidence has yet been found against him, and it was believed at the time that his arrest was a blind to lull the suspicions of the real murderer that the detectives were on his trail.

CITY TO REPAIR RACEWAY BRIDGE

Board Notifies Power Company That Work Will Be at Its Expense.

It is a slow day when the Administrative Board does not find an opportunity to enter an order directing the investigation, repairs, or replacement of a bridge across the canal. An examination of the board records for the past month supports the belief that the Administrative Board counts that day lost whose low descending sun views from its hand no bridge work begun.

Yesterday's order in the premises directs the City Engineer to make safe for public travel at once the bridge across the raceway near the south end of the new Mayo Bridge. A large motor truck broke through the plankings yesterday, putting the structure temporarily out of commission and demonstrating its need of rehabilitation.

Accompanying the order was filed a notice to the City of Richmond and Power Company that the city will repair the bridge, but will charge the cost to the company. It will also hold the company responsible for damages arising from accidents on the bridge dating from June 6, 1912, when the power company was first notified to put the structure in good repair.

The Virginia Railway and Power Company owns that part of the canal which the bridge spans, and the city has taken the position that the power company is therefore responsible for its upkeep. The company, however, denies the custodianship, holding that the bridge is city property. The City Attorney has been asked to settle the dispute.

The power company applied to the board yesterday morning for permission to tear up Main Street between Sixth and Seventh Streets, to permit the laying of an electrical conduit. Individual members of the board entered their protest against further tearing up of Main Street, suggesting that the conduit be laid through an alley. The company was directed to confer with the City Electrician.
